

Welcome Dr. Sunita Seshia

Dr. Seshia is a graduate of the University of Saskatchewan Western College of Veterinary Medicine. After graduation she was an associate veterinarian in California and subsequently completed an internship at Angell Animal Medical Center in Boston, Massachusetts. Upon finishing her internship she worked in Georgia, and then as an emergency veterinarian in Ohio. Dr. Seshia completed her Masters of Veterinary Science and clinical pathology residency training at the University of Saskatchewan Western College of Veterinary Medicine. She was formerly a clinical associate and an assistant professor in veterinary pathology. Dr. Seshia is a diplomate of the American College of Veterinary Pathologists in clinical pathology. Dr. Seshia joined our pathology staff on October 22nd. She is working at Marshfield labs in Cleveland and is available for same - day evaluation of cytology specimens submitted from northeast Ohio during business hours.
